SKYALPS FLIGHT SCHEDULE · SUMMER 2027

# Flights and destinations from Bolzano

*Looking forward to a holiday is half the fun* – and sometimes it all begins with a glance at the flight schedule. In summer 2027, SkyAlps connects Bolzano Airport with 19 cities and holiday islands across Europe, including three new destinations. From the airport, a relaxed journey takes you up to Alta Pusteria, where the Sesto Dolomites and your home away from home are already waiting for you.
